Minutes of a council of the Western District of E. G. Conference held In the music Hall

Mellicent Street Cardiff February 13th 1852

This meeting was called to order by Elder James Ellis Councilor to the conference, Prayer by Elder

Ellis, after which he rose said, (___?) Bretheren I hope that you have met this Evening to pay attention to that which shall be taught to you here by our worthy Presid - ent Thomas Pugh. It is your duty not only to hear, but also to do such councils that will be given to you time after time, and I belive that the Elders & Priests that are here ought to set their minds upon some person they have influence over, and Pray for him or her, with all sincerety of heart before the Lord, and he will surely answeare such a prayer, and consequently there would be a great ingathering of Souls. In a short time, those that are not competent in speech, can do all they can to distribute tracts the weakest of saints can do this, bretheren do this and teach other the same. the Lord will be with you & you will prosper; the time Is far gone so we will proceed to business, and the meeting is free for the representation of the branches, the presidents of the branches composing this council, represented their branches as been In good order & some added to their number by baptisiam since last council Elder Ellis rose said I am sorry to see the neglect of some of the officers to come to coun - cil. bretheren you must attend the council if you want salvation, you want to know your business and mind it, and if you are not energetic to know it, you cannot stand in the Kingdom of "God" – "and remember" – that every one connected to this Kingdom shall be rewarded according to his works, Therefore we want for each one to feel his responsibility, and when a council is given here, we want to see it put in force & carried out,

also that no case shall be heard here unless it is brought written on paper, & the witnesses not of the enemy.

Elder Thomas Pugh president of the conference rose said, bretheren I want you to understand what we are a doing, concerning the debt of this music hall, I have promised to take this burden off your minds, and I have agreed with my councilors to throw it on the conference and we are going to have a general “Concert” at merthyr, by which money we Intend to pay the debt on this hall, with other debts that was contracted, by borrowing money to assist the Apostles & others to go and preach the Gospel to other nations Elder Ellis has given £3 that he paid to help build this hall, also Elder Thomas Mathews gave £ to the same purpose. hence bretheren I do not want you to feel this a burden on your minds any more, Therefore come forth in the power of God to build up his Kingdom

(96)

Cardiff Council February 13th 1852

And remember that the Kingdom of God is organised on this Earth and never more be taken away the authorities of this kingdom do not care for all the powers of this world, because they Know that “God” has his power on the Earth again. our worthy President “Brigham Young” when opposed by “Judge Brochus,” spoke in the name of the “Lord” upon the power which “God” had given him has successor of “Joseph Smith,” testifying also that who soever would rise his hand agains the “Latterday Saints” should die an untimely “death,” bretheren the Lord is with this Church and we do not know how soon he will command his people to sacrifice their all in the Valleys of the mountains to gather the Poor from all nations, & build a “Temple” to his name in “Salt Lake City” – the bretheren that are there, did covenant in the “Nauvoo Temple” that they would not cease their efforts in gathering the poor saints from among the

nations, and they are now doing it as fast as possible by the "Perpetual Emigration Fund" they have been driven & robbed 5 times & they are now richer than they ever were before "What is the reason" It is because they were obedient to the councils and commandments of "God" given through his servants, and a neglect of this will prove our condemnation hence prepare yourselves to come forth & do that which will be told you by us, and remember that no man or woman shall enjoy the labours of another, but every one shall enjoy the fruits of their own labours, hence we want you to come forth and make sacrifice by "Fast" that we may throw off this burden of "debt" that is on this conference, I want every officer to [exert] his influence to carry this council into effect. also we have called you to assist the "Traveling Elders" by each member paying one penny per week, this is a large conference and there are six "Traveling Elders" in it and they are obliged to work hard, also there is the money for the "Temple" and "Perpetual Emigration Fund" these donations are to be observed with the "Fast" which "Fast" money" after the debt on the conference is paid," can be a "Fund" to sustain the church whenever money will be wanted, I should like to hear your minds concerning this, Elder David Jones President of Cardiff Branch rose said brethren I always feel well concerning this "Fast" & all other monies that is required I will do my best to fulfill this and all other councils that will be given me – several of the brethren present were the same mind as Elder Jones

President Pugh rose said brethren to carry out these instructions we want you to appoint good men to put them in force. I do not want you to oppress the saints but to feel rich & the same influence will go to those under your charge. "Oh" brethren teach the

(97)

the saints their duty lest they rise in the resurrection to condemn you, I shall not be with you much longer, In about 10 months I intend to Emigrate to "America," Therefore I will not be

fettered, I will tell you your duty in the name of the Lord, I feel that there are some of you here in this council that are to narrow minded. you are afraid to teach the saints their duty & if you will not rouse up you will lose your reward, bretheren be faithfull & God bless you The case of Philip Rudd & Jane Jenkins both of Cobridge branch was brought forward they had both of them confessed that they had committed "Fornication" one with onather. after which they accused other Elders which were proved Inocent by Jane Jenkins confessing that philip Rudd had deluded her and Influenced upon her to swear that she was pregnant by another & not by him, & name one of those Elders & lay it to him

"Witnesses to the confession," Elder Thomas Pugh & Elder Evan Williams

An additional charge against Philip Rudd, as follows,

Cowbridge February 13th 1852

First of accusing Elder Evan Every of having [connexsions] with Jane Jenkins[.] this Jane Jenkins denied, — also treating with contempt the "Book of Mormon" & the "Book of Doctrine & covenants" and threatening to bring persecution upon the church In cowbridge & else were

Witnesses "Elders George Taylor Jenkin William & Evan Every

President Pugh rose said bretheren so far as I can understand the only mercy we can give Philip Rudd & Jane Jenkins is to cut them off the church. "Voted" That Philip Rudd & Jane Jenkins both members of cowbridge branch be cut off the church of Jesus Christ of Latterday Saints for Fornications, & accusing bretheren falsely.

"Voted" that Joseph Hancock, a Deacon in Cardiff branch be ordained to the office of Elder,

General Council of the Conference

Minutes of a general Council of Eastern Glamorgan Conference held in the greyhound Inn room that Merthyr Tydvil February 17th 1852

This meeting was called to order by Elder Thomas Pugh President of the Conference, Prayer by Elder Pugh. after which President Pugh rose said bretheren It is requisit to have an English Secretary for the conference that your transactions may be recorded in the English & Welsh languages, Elder Evan Williams that was secretary to Western Glamorgan Conference is come here and eh is to look after all the records of the branches composing this conference & I belive that it would be nessesary for him to take the minutes of this General Council here once a fortnight, “Voted” that Elder Evan Williams be an English Secretary to this Eastern Glamorgan conference, Elder Richard Morris is the welsh secretary _ _ _ pres^t. Pugh called for the representation of the branches.

Elder Thomas Harris rose said bretheren Merthyr Tydvil branch as been a little out of order since

last council, but I believe it will enliven shortly, there are good prospects for baptising at present, Elder William Jones rose said brethren George Town branch is in good order. there is 4 baptised since last council. Elder John August rose said brethren “ynys gau” branch is in good order there is 1 baptised since last council Elder Thomas Morgans rose said brethren “Telynnon Tydvil” branch is not so well as I have seen it, there is something out of order there at present, but I think we will be able to set all things right before next council, Elder Thomas Lewllyen rose said brethren “[Pen. y. darran]” branch is in good order at present, Elder James Clifford rose said brethren “[Gellifailog]” branch is in good order & good prospects for baptising.

Elder Lewis rose said “Gorllwng” branch is in good order & the tracts that are distributed are doing much good, Elder George Adams rose said brethren there is no one sent to represent the Welsh branch in “Rhymney” but I will represent the both branches. So far as I can understand, the Welsh & English are in good order Cwmbach branch was represented in good order, Aberaman branch was represented in good order at present. 3 cut off since last council. Aberdare Welsh & English branches was represented in good order. [Hirwaen] branch was represented in order & 2 baptised since last council. “[Vale of Neath & Llanfabon]” branches was represented in good order. Newbridge. Treforest. Llantwit minor. & Dinas. Branches was represented in good order. Pres^d Pugh rose said I believe it would be better for “Pen. y. [yurd]” District of Pen. y. darran branch” to be united to Merthyr branch because Pen. y. darran room is too small “Voted” that it be so. “Voted” that “Troed. y. Rew” District of Merthyr branch be organised a branch & Elder David [Giles] to preside over the same, “Voted”

(99)

that “Troed y Rew” branch rent the White Lion tavern room, In Troed. y. Rew for 2 years,

“Voted” that David Gabriel of Troed. y rew branch be ordained to the office Teacher,
Pres^t Pugh rose said bretheren concerning Cwmbach branch, Pres^t Philips put Elder [Ebenezer]
Morris to preside over the council of the said branch, Elder Joseph Perkins is a good man & has
been faithfull whiles nominated pres^t over Cwmbach branch, but Elder Morris been pres^t of the
council he also was pres^t over the branch, because the highest authority of a branch is the
council. Consequently the pres^t over the council is the pres^t over the branch. “Voted” that Elder
Ebenezer Morris Preside over Cwmbach branch alltogethor. & Elders Joseph Perkins & John
Edwards to be his councilors. Pres^t Pugh rose said I want this council free from unnessesary
matters and all the councils that are organ - ised are to transact all business apertaining to them,
& I want the pres^t over the said councils to be faithfull and mgnify their calling Y be dependent
upon the gift of the Holy Ghost Then they will surely prosper in all their business both Temporal
& Spiritual, “Voted” that [Flynnon] Tydvil branch have a council to transact all busniess
apertaining to the same, Pres^t Pugh rose said bretheren I feel that a wish for baptising is not so
much among you as it ought to be this is the feeling I find in this conference in general, I want
you to understand that unless you have a wish to baptise the people, you have no wish to save
them, & conseq - unetly you must be destitute of the spirit of the Gospel, you must also
understand that it is from you the spirit of baptisiam is to go to the people, hence you see the
reason you do not baptise so many as you used to, bretheren if you will have those feelings you
cannot prosper, but if you will have feelings to save the people you will baptise the best of
them, & some times some of the worst may creep into the church, but the Kingdom of God is as
a net cast into the sea, which brings forth both good & bad fish. so it is with those that baptise
Pres^t Philips rose said bretheren the subject of money for the sustainance of Traveling Elders was
brought before you this night fortnight. I do not know of any time but what there as been some

In the church, that did & do always rebel against giveing money to carry on the work of the “Lord” such are no good in any age of the world It is very easy to get men to carry out the instructions given, about 12 months after they are given, but such are no good in this church, we want men that will immediatley they have a council go be ready to belive it, and when they to to their respective Feilds of labour put it in force Immediatley. if you want to blessed of God this is one good step to - wards it

(100)

General Council of February 17th 1852

I thank the Lord that you do improve in your Exertions, but there is yet place for Improvement I know of some bretheren that have secretly combated with my councils for 3 years, such never could come to my face like men to defend themselves, bretheren do not keep such feelings among you. “If you do,” they will lead you to distruction, Therefore come forward and be men of “God” & “Govern” those under your charge in righteousness. then you will overcome all that will oppose you, cleave to the Preisthood & “Love” on another then you will prosper “What Is the reason you do not baptize” It is because you do not belive the councils given, and consequently you get careless of your own salvation and of others too High Preist John Davies rose & followed on the obove subject very edefying

Pres^l Pugh rose said bretheren I want you to remember the “Cards” that you have to distribute for Aberdare Concert, those branches nearest “Merthyr” will bring In their money against next Saturday to Bro. Richard Morris, & the branches nearest “Aberdare” will bring in their money to my house at Aberaman at the same time. “Voted”tat Elder Richard Morris be Treasurer to the “Fast” money. “Voted” that Elder Morrise purchace a book of the Fast money he has in hand for the Insertion of the amount of Fast money given in Total money given in for the Sustainance

Elder George Taylor President of cowbridge branch rose said bretheren I have better feelings now than I have had since I went to cowbridge & If I shall have your confidence Brod^l Pugh, we will surely prosper at cowbridge. Pres^l Pugh rose said Bro^l Taylor you and all other officers under my care shall have my confidence as long as you will adhear to my council. you that are Pres^{ts} of branches are also Pres^{ts} of councils. & I want you to be men of God. & be carefull of the saints under your care. you have authority to cut off the unruly members. be carefull of this. If you cut any one off unrighteously “wo” be unto you. also I want you to be liberal to the traveling Elders when they come to you[;] they travel among the world, & when they come among you as their bretheren & sisters, It is hard when they receive un - Kindness from you. “Oh” bretheren & sisters be kind & Liberal one to another. & remember the Council of “St Paul.” “That is” Entertain strangers, for by so doing, some have entertained angels unaweaers, & remember that angels will visit the Faithfull, & they will go to those who are liberral & Kind & will bless them, may God bless you with his spirit that you may Know your dugy & do it, is my desire in the name of Jesus Christ “Amen”

Elder James Ellis rose said Mr. President, Is it wisdom for the officers that preach in the open air in this town or the vilages that are In the regions about, to do so In lowlife places. The reason I ask this question is because we are accused of been lowlife own that we preach in lowlife places & I though it would be wisdom not to go to such places. Pres^l Pugh rose said it will not be

wisdom in the bretheren to preach in any lowlife place In town or country & Franklin Du Richards have writen in star march the 1st Volume 14 that the time of the year is coming when bretheren can preach in the open air. & distribute tracts, but not in lowlife places were the bretheren & the Gospel will be disgraced. General Council of the Conference

Minutes of a General council of E. G. Conference held in the Greyhound Inn room Merthyr tydvil March 2^d 1852. This meeting was called to order by Elder Thomas Pugh [Pres^t.] of the con - ference. “Prayer by Pres^t Pugh” “Voted” that David Jones (who was once a member in Pen, y. darran branch, and was cut off for misconduct, he Is at present at “Aberdare” & wishes to unite with the church again) be liberated & to receive admittance into the church by baptisiam. Elder William Jones was called to read the “minutes” of last council. Elder Jones rose & did read the “minutes” “Voted” that the said “minutes” be received. Pres^t Pugh rose said bretheren we have but a short time to d our business this Evening. Pres^t Pugh will deliver a Lecture In the white Lion room . & we are all requested to be there. I shall call on the bretheren to give an

account of their branches. The bretheren rose & gave a favourable account of their branches
some were haded by baptisiam since last council. "Voted" that Aberdare branch have a council.
& the Pres^t & his councilors to preside over it. "Voted" that Aberaman branch have a council &
the Pres^t with his councilors to preside over it. Pres^t Pugh rose said bretheren I feel that you
have some that are Presidents of Districts who are slothfull and Indolent to fullfill the councils
you give them. I feel that you Presidents of branches are good men, but you have Idlers among
you. & consequently the saints under your care are not feed with salvation look into this
bretheren or you will be removed from your presidency. our circumstances are changeable,
consequently we must appreciate the time been least we should backward in gaining salvation.
"time lost cannot be gained." I should like each of you to keep a Journal, if you will be negligent
in this you will find yourself at a loss in time to come, remember that great tribulation is at our
heals, in a manner of speaking. Hence the nessesity of been diligent to [acquire] to the
knowledge of the principles of the Kingdom of "God," by doing so, we will Feel our minds rich.
& consequently the same Influecne will go to those under your charge, the kingdom that we
build is the kingdom of "God" & must be organised and overcome all others, remember that the
rich in money can have no salvation unless they will come & give their gold & silver to help
build the king - dom of god. & many of them will come & lay their gold & silver & their
precious at the apostles feet . & be glad of it because they will know that by so doing they will
have salvation. Therefore [O] bretheren teach the saints under your care their duty in all things
so far has you are able. & if any officer will stand in your way, tell him is foolishness in the spirit
of meekness. & if he will not repent & do as you tell him turn him aside. May God bless you to
carrey out those Instructions. "Amen"

Minutes of a council fo the Western District of E. G. Conference held In the music Hall millicent street Cardiff March 12th 1852

This meeting was called to order by Elder Thomas Pugh, Pres^{dt} of the conference “Prayer by Elder Pugh” After which he rose said bretheren we will proceed to business You are at Liberty to represent your branch. The bretheren rose and gave a favourable account of their branches . & also expressed their determination to distribute Books & do all they could to carry out the Instructions given

Pres^{dt} Pugh rose said bretheren I want you to teach the officers under your charge when they go forth to preach or teach or sell books, to go having good feelings with them, if they will go as such “Faith” will increase In them . & consequently they will have a little more of the Knowledge of God with them. I would rather you stop at home than to go forth among the people under a bad Influence if you want to save the people, wash your bodies . & anoint yourselves . & pray much that you may purify yourselves

(104)

before the Lord, then you will be clothed with Salvation . & you will prosper in all your doings. Elder George Taylor rose said bretheren I was preaching at a place call city not far from cowbridge last night, and on my return home In the company of some others of my bretheren. It was so dark that we could hardly see our way, so near as I can say we had walked a mile towards cowbridge were we live at present, when a light shone from the heavens right over the place were we had been Preaching it remained for a time, so that we could observe the country, so clear as by day light, this causes me to belive that a great work will be done in that

neighbourhood. Pres^{dt} Pugh rose said bretheren without works there is no salvation to be had, and if you want salvation go to work for it as soon as you can, because every one shall be rewarded according to his works, but some one will say what works are we to do, – “the answer is” – all that God will tell us to do through his servants, we have received a little salvation, but how did we receive it. It is because that God has sent his servants to preach his word unto us . & by our obedience to the same, we have received a portion of salvation, how we know this is because the Lord has confirmed I word by signs following.

Hence if salvation has been given to us thus far by doing the works taught us by the Lord through his servants, our further salvation is dependent upon still doing what the servants of “God” will tell us, bretheren when you receive council belive it . & put it in force Immediatly. & That you can do to day do not leave if untill to morrow, remember that every day bringeth its own works both good & bad, whosoever of you will neglect today’s works, tomor - row will throw you behind the time. & remember that “time” lost cannot be regained. by neglect of such you loose your salvation, bretheren do not promise to do a thing & then neglect it, “be punctual” in all your doings The principle of “Fast” is what has allways been in the church of christ. If you who are [anxious] to have your prayer answeard, “Fast” is one of the most acceptable principles with the “Lord,” & when a man do honestly “Fast” that is a sure way to receive the required blessings. a council has been given throughout this conference to “Fast” on the first Sundays In every month, but the saints have no power to do so when the officers do not teach them the nessesity of obeying council & they the officers themselves are negligent to try & hide their opstecals in the way. & they come forth with an excuse to try & hide their [folly] & the excuse

they make in this is that the saints are too poor to "Fast" "What a man or woman too poor to "fast" why the person that will say so must be Ignorant or he will say a willful lie. I say that poverty will teach a man & woman to "Fast" because a poor person is obliged to "Fast" sometimes owing to the scarcity of his or her's food, such an excuse is too bareface. & let those that [ruse] them repent for their unfaithfulness in teaching the saints their duties. the poor man that has no food to "Fast" from ought to go to those in the branch [he's] in that are rich .& ask them for food. & on "Fast" day when the food is set before him he can ask for the worth of that dinner, & if he shall have the worth of it, to bring it as a sacrifice to the church. teach this to the poor in faith & they will believe you. & you shall be blessed

Elder George Taylor from Cowbridge rose said Mr. Pres^{dt} I have a boy who is subject to Fitts, & I should like to have your council What I had better do with him Pres^{dt} Pugh rose said Bro. Taylor when you are home again, wash yourself & anoint your head & let your wife do the same, then Fast & Pray, then take your boy wash and anoint him with oil & baptize him, & let me know how he is this night fortnight. The minutes of last council were read. "Voted" that the said minutes be received Elder Thomas Evans of Cardiff rose said Mr. Pres^{dt} If any one in my family was ill and could not be healed by the laying of hands, could I baptize such to see if he or she could be healed Pres^{dt} Pugh rose said, "no" Bro. Evans if you or any other Bro. have any sickness such as you have mentioned among your family, tell me in council, whereby I may tell you there & then what to do Rebaptism must be done by the revelations of the "Holy Ghost" Elder Robert Jordan desired to have hands laid on him that he may be healed he was very ill in a fever. Pres^{dt} Pugh laid on him that he may be healed he prayed that he may be healed. Elder Jordan rose & testifies that he was a great deal better. Elder John Jones rose & taught upon the necessity of obeying & respecting the priesthood, very edifying. Elder James Ellis

followed on the same subject. Pres^{dt} Pugh rose & taught the nessesity of upholding the
Perpetual Emigration Fund .& the word of Wisdom

Minutes of a council of 5 branches held in the Lamb Tavern Room Pont.y.ty.Vrid or New -

bridge March 15th 1852

This meeting was called to order by Elder Thomas Pugh Pres^{dt} of the conference. Prayer by Elder Pugh after which he rose said bretheren I with my councilors have agree'd to have 4 General Councils In this conference owing to the press of business In our General council at Merthyr, this conference is so extensive that it was Impossible for us to transact all the business that would be brought before us in one Evening. & it would never do to keep bretheren that came from far (& had nothing but their daily labours to depend upon & "families") at Merthyr more than one night . Hence a council will be held [____?] every fortnight to transact the business of the present branches & those that might be organised hereafter. the name of the present branches are, Llanfabon, Dinas, Newbridge, Treforest, & Llantwit Minor, the record of this council will be written In the General council book of the conference. I shall do all I can to be present at each of those council, which will be held once a fortnight. In each place, This council is not fully organised, because it is not passed yet In the General council at merthyr, but we will do so at merthyr to morrow Evening, that you may Know how we have devided the conference, "it is as follows" 1st aberdare will have a council, to be held on Wednesday Evening Week then every fortnight from the said Evening. the next council will be held at Cardiff on the Friday following & here on the Monday following. then at merthyr as usual on the Tuesday following & so on every fortnight, now every officer In the conference can have a pre - vilege to be taught in the duties of their office without coming to merthyr every fortnight. now I expect you to do more work for the Lord in future because you will have more time to distribute Tracts .& if you will do so you will have more of the Gifts of the Holy Ghost

with you than ever you had before.

“Voted” that Elder Thomas Rees take the account of money received In this council Pres^{dt} Pugh rose said bretheren I want you to do the business of your branches in the council’s of your branches, that I may have this council to teach you your duties & I know that I am very imperfect .& I want to be taught. so are you & you want to be taught. I understand that there is plenty of weakness in you all, therefore I want you to be mercifull one to another & show charity by benavolence, that is by works, you are at Liberty now to represent your branches.

The bretheren rose & represented their branches In good order some haded to their number by baptisiam since last council. They also

(107)

[_____] their determination to sell books. & said that great good had been done by them

Pres^t Pugh rose said bretheren I want to speak upon three things that belongs to us all In General first That every man and woman must receive salvation for their own selve. for Instance can one man be feed with food by looking at another eathing? “no it is unreasonable to think so” and remember that every one must work out their own salvation, and one can-not work for another, if, we do, we will neglect our own salvation, It is writen he that will not work let him not eat, hence remember that if we will not be zealous to fullfill the councils given us time after time we shall not be feed with salvation. but we shall be as the man that will not eat food, “we shall die & go to distruction” & Insomuch that all must be feed all must work, or else there is no salvation, there is a council given to all the saints In this world to bring forward their offerings to assist building a “Temple” In Salt Lake City. by doing this council we have a promise to be feed with salvation. but those that will not fullfill it, “they will be counted as theives & robbers”, “President” Brigham Young segested In the Sixthy General Epistle that some would enter the

“Temple” that would be found thieves & robbers, “Why” – Because they have not assisted to [erect] that temple, but try & teive the privileges by creeping in without works, now bretheren you are all to assist yourselves. & work out your own salvation Secondly,” “The gathering” this is a General duty upon all the saints. If we will not gather to Zion when we have a privilege we cannot be saved. It is a com - mandment of God, and all that can obey the same, “and will not” shall be damned. Thirdly remember taht you cannot be blessed unless you respect the mediums that God has sent among you. we are his officers sent to administer salvaton unto you in this conference.& if you rebel & fight against us, you rebel & fight against God”, hence be carefull bretheren of yourselves .& seek to do what we tell you also it is your duty to learn to write, we have a Kingdom to build up. & that the Kingdom of “God” and we must be men of business. & it is Impossible for us to do business if we are not cappable of reading 7 writing. The Kingdom of “God” will require more learning & scholaship than all the Kingdoms of this world put together, and unto this end “God” as [rosen] men who were the foolish things of this world to do his work. & make them the greatest of scholars. Hence we want to make the best of our time, & do all that we can to keep a private journal . & see that this is taught to all under your care, also I would exhort you to remember the “Perpetual Emigration Fund “ & the Presidency Fund” and the Traveling Elders Fund.” & the “Fast” money and have rich feelings so that the same

(108)

may be in those under your care then you shall be blessed. my reason in saying this is that you may not be condemned in a time to come. Also when any of the Traveling Elders do come among you receive them as you would receive me, and do what they will tell you as you would do what I would tell you, and don’t go & look after them. I can do that. you had better bring the money for president Phillips to this council In future. Pres^{dt} Pugh taught the nessesity of

Keeping the word of wisdom very Edefying. “Voted” that the presidents of the branches composing this council be authorised to sign the name of the Pres^{dt} of this conference to the members certificate. “Voted” that Preist William Davies of Newbridge branch be ordained to the office of an Elder

Minutes of a General Council of Eastern Glamorganshire Conference held In the Grayhoung Inn room Merthyr Tydvil March 16th 1852

This meeting was called to order by Elder Thomas Pugh. Prayer by Elder David Jones. After which Elder Morris the Welsh Secretary read the “minutes” of last council. “Voted” that the said “minutes” be received. “Pres^{dt} Pugh rose said bretheren we shall proceed to business & you are at Liberty to represent your branches. The bretheren rose and represented their branches some In good order, others were a little out of order. Some added to their Number by baptisiam since last council. Presd^l Pugh rose said bretheren I have been consulting with Presidents William Phillips & John Davies concerning Dividing this conference Into four Districts, & we are agreed upon the subject. the reason I divide the conference is because It is so large .& the business to great to transact In one evening the Districts will be as follows. “Merthyr Tydvil” Newbridge – aberdare. & Cardiff – Cardiff & merthyr Districts were organised before “Voted” That Hirwaen. Vale of neath. aberdare Welsh .& aberdare English [come back] & aberaman branches. composse the Council of aberdare District. & the council to be held at aberdare once a

fortnight, “Voted” that Newbridge Llanfabon. Dinas Treforest & Llantwit minor branches compose the council of Newbridge District & the council to be held at Newbridge once a fortnight “Voted” that the records of each of those councils be written on one book & that book will be called the General Council book of E. G. conference

(109)

Pres^{dt} Pugh rose said bretheren the calling of officers by the Traveling Elders will not be required In future, they are to be called In the councils organised also the time for giving in the money for the “Temple” will be on the 20th of this month that will be next Saturday I should rejoice to see more Zeal in you to fullfill the councils given. Punctuality is the soul of busines. do not leave undone that you can do to day untill tomorrow Praps tomorrow will bring death or something else that will occupy your time do that you will forget that which you had to do to day. embrase every oppertunity to fullfill your councils punctual to the time you or your Presidents have appointed you should understand that by receiveing council & doing the same you will have salvations, & remember that no man can work out is salvation but by the direct - ions of those whom God has set to Preside over him. this will surely bring salvation to all that will Punctually carry out their councils. Therefore I would have you to teach the saints their duty In this. In much Faith. & by so doing the “Lord” will bless you & prosper you so that you will be able to fullfill the councils given at the appointed time. Pres^{dt} Pugh taught for a length of time on this Principle very Edefying. Pres^{dt} William Phillips rose said bretheren while seting to hear Pres^{dt} Pughs remarks I rejoiced much. & it came Into my mind of a circumstance I had read of concerning a mothers advice to her daughter. the daughter was anxciou to leave todays work untill to morrow which caused the mother to say . my daughter today have brought many things you knew nothing o yesterday. Therefore do todays work before you go to sleep to night. then

you will be ready on the morrow to do that which it will bring & so on every day. because you do not know what a day will bring, this will correspond with the teachings of Pres^{dt} Pugh & they are very good. also I want you to understand the order of this church because there are many looseing their blessings for the want of Knowing it. the General members are to be subject to the “Deacon” & If they will pass him by to the “teacher” & disrespect his council they cannot prosper, & If they will pass the “Teacher” to the Preist” they do disrespect the “Teacher” & so on up to the highest authority In this church. I want every officer to be Esteemed In his office, when any one do disrespect the lesser preisthood they do disrespect the higher priesthood, & consequently disrespect “God” & can such have the gift of the Holy Ghost? “I say It is Impossible” they cannot stand In this church after they have been taught better. & will not repent there are a great many that pass by the council of the Deacons teachers & preists &

(110)

General Council of the Conference March 16th

come to the Elders, & I council all the Elders present not to encourage such, for if you do you will be guilty of the same sin. because it is a sin against “God” & the whole church. there are some that will push themselves up to the company of the Elders High Preists & Apostles. & when the Deacon goes to council such they answer Immediatly what do you know, we have been In the company of high officers . & we Know this that & the other. they will do likewis with the Teacher & Preist. now you want to teach the saints their duty In this & that their salvation is dependent upon doing what the lesser preisthood will council them, because that presthood do receive council from the high presthood to deliver unto all the General members of the church, there was a few In North wales that had been baptised by some of the twelve they had seen Brigham Young & some others. they were at first under the Jurisdiction of the

Liverpool conference, but they were so disobedient to the lesser Preisthood that they could do nothing of them, & they gave them up to the welsh Presidency, but they were still the same, saying we have been baptised by the twelve we have seen Brighan young, & we know this taht & the other. so we were oblided to give them back to the Liverpool conference .& the last News I heard of them was that they were cut off the church. and there are some possessing the same feelings here, & there are some officers under that Influence. there are some that will converse with me and pass by Bro_ Pugh 7 consequently disrespect his presidency, but do you think that you do respect me? I say no – You do disrespect me, & the Presidency I hold, –why– Because it is I have put Bro_ pugh to Preside over you. & wehn you do direspect him you do disrespect Me & my councils & when any officer of a branch do disrespect the councils of the president of the same, he do disrespect the councils of the President of the Conference bretheren this is not good. come forth magnify & make honourable your calling, & respect each other In your offices .& remember Elders to respect the lesser Presthood. & may the blessing of God be with you all “amen”

Elder David Jones rose said bretheren remember that the “Fast” money is not to e used to any thing but what they have been appointed.

“Voted” that Presit William Beynon of George town branch be ordained an “Elder”. “Voted” that Teachers Henry Davies & John Lewis of Peny darran branch be ordained “Preists”

Elder Thomas Pugh , President

Elder Evan A Williams , Engl. Secretary

Minutes of a council of the aberdare District of E. G. conference held in the welsh Harp Tavern room Aberdare March 24th 1852. This meeting was called to order by Elder Thomas Pugh President of the conference. "Prayer by Elder Pugh", after which he rose and said bretheren I should be glad to have seen more of the officers Present, because this council is organised so that every officer belonging to it can have a previlege to be taught in the several duties of his office this conference been so large we could have no time at merthyr council to teach you & do the business In one Evening that would be brought before us, therefore we organised this council & one at Newbridge so that I may have time to teach you In the things which are nessesary to carry on the work In this conference. also the records of this council will be Inserted In the General conference book. but I should like to see them with so little accusations against any as possible. but when every thing is done in righteousness, I would as soon see them there as something else this ought to be observed by us all, that we may have a clear consience before God In a day to com, but there is one thing that have [greved] my spirit very much. that is the carelessness that as been among you concerning the "Temple" money. bretheren I want you to be more zealous In fullfill - ing the councils given. the late council concerning the "Temple money" was that they were to be in against the 20th of this month which was last Saturday. I understand there are some families who have not heard anything about this money. this is very wrong bretheren. others have taken to say that I should say, the Temple money was not to be given in at the above mentoined time that the time have been lengthen'd to the 15th of April I never gave such a council, & whosoever have sayed so of me have told a lie, my council was were I went In this conference to all, that the money was to be given in on the 20th of march which was last Saturday

bretheren I want you to observe Punctuality, because it is the soul of business. It is not my place to call in question the councils given me by President Phillips but my duty is to see them put in force, & remember that it is your duty to do the same with my councils. when you receive them put them in force, & see

(112)

that the officers under your care do observe the same, and do not call In question the councils given. and ask if the time of their fullfillment can be prolonged, such have but very little respect to & belive In the Preisthood & the councils given. bretheren I will tell you the truth. & I will not act the hypocrite with you. your salvation is dependent upon acting according to the truth taught by me & my bretheren who Labour In this conference with me, and if my life was in danger among you at present I would not hesitate to speak the “truth” as given me by the “Holy Ghost” when truth is taught the righteous do rejoice, but the wicked trembleth & is afraid bretheren be fearless men & teach the truth unto the saints. then the Lord will bless you with power to overcome your opponents In all things, you are at Liberty now to represent your branches. The bretheren rose & represented their branches to be in a favourable order at present. some added to their Num - ber by baptisiam since last council. Pres^{dt} Pugh rose & taught the nessesity of Erecting a temple, & the impossibility of receiving salvation without one – Vale of Neath branch was not represented, becuase there was no one present from there, “Voted” that David Thomas of “Aberaman branch” be ordained a Teacher. “Voted” that William Lewellyen & Walter Morgans both of the same branch be ordained “Deacons” “Voted” That Hopkin Watkins of Cwmbach branch be ordained a “Teacher” “Voted” That Jenkin [Rosser] & Elias Lewis of the same branch be ordained “Deacons” Pres^{dt} Pugh rose said bretheren I want you to go from here with the love of God In your hearts, that you may love

one another. For if the officers will not love one another, there cannot be any prosperity In the branches they are In, be carefull who you baptise, because there are some who will come In sheep's clothing. but Inwardly they are raven wolfs, but they will not be long before they will be known,

Minutes of a council of the Western District of E. G. conference held in music hall millicent street Cardiff March 26th 1852. This meeting was called to order by Elder Thomas Pugh President of the conference. "Prayer by Elder James Ellis" Pres^{dt} Pugh rose said bretheren we are met once more in council to transact such

(113)

business that will be required, and we will proceed to do so, you are now at Liberty to represent your branches. The bretheren rose and gave a favourable statement of their branches. some were added to their number by baptisiam since last council. Elder Ellis rose said bretheren I have been thinking of late upon the best way In my views to sell books, that it would be well to give books to the old women who are sisters, I think more would be sold In that way, be - cause the people will belive that they sell for themseles, & consequently they will pittty them & buy the books, Pres^{dt} Pugh rose said bretheren I belive It would be well for all the sisters both old & young, to go & sell books. this is a duty devolved upon the bretheren as well as the sisters, and if both bretheren & sisters will go In kindness, having love & Peace In their hearts the Lord will

prosper their Labours; but the evil one will rage and cause others to do the same, & if they will not receive you, feel well. do not contend with them, but be longsuffering. and speak to those that will listen, "In peace and Love." and they will receive you & buy your books. the goodness of a man do not lay In his eloquence of speech, but In his humility & obedience to the commandments of "God" Jesus christ said to Joesph Smith not to notice much of those who were eloquent In speech, but notice those who humbled themselves before the "Lord" & toke to be governed by the "Holy Ghost" these are the men & women that "God" will acknowledge and work through, "God" has spoken through one of the ancient Prophets saying that he would rather obedience In man than the Fat of rams. Think of yourselves bretheren. If any of you have children and they are obedient to your council. you will not hold any good thing from them, hence if you who are Imperfect can have such Feelings to bless your children. how much more "God" who is perfect have usch feelings to those who are obedient to his commandments. also you that are unmarried and hold a office In this church, have the saints to govern. & remember if you cannot Govern yourselves, your are not cappable to govern others especialy the saints of "God" bretheren who is it you love best among the saints? Is it not those that are obedient to & fullfill the council you give them. of course it is so it is with "God" but there are some who wil sit In judgement on the councils given, before tehy will condesend to put them in force, surely every one is a Free agent. but it would be better not to sit in judgement upon them, and if you want salvation you must be obedient to you Presidents & fullfill the councils the give you, "without calling them in question" let what "will" oppose[.] also you want to be carefull of the records of your branches. to see that everything that is to be recorded is done according to the directions given. Pres^{dt} Pugh

taught lengthy upon the nessesity of Erecting a “temple” very Edefying [+] “Voted” That Teacher Evan Evans of cardiff branch be ordained an Elder, “Voted” that Thomas [Howels], “Junior” and George Haslet both of Cardiff branch be ordained “Deacons” “Voted” that preist Jacob [Chivers] of “Gog” branch be ordained an Elder. Elders Pugh & Ellis ordained him in this council Pres^{dt} Pugh was mouth. Elder John Ventrice rose said Mr. Pres^{dt} can a man who is an Elder be allowed to go In the preaching circile and Keep to smoking , Pres^{dt} Pugh rose said bretheren I do not see any wisdom in smoking, and so far as I can understand that no officers can be justified In smokeing, I move that every officer In this District Is either to leave his office, or the Tobacco, been that the word of wisdom is to be taught & Is taught at Present I cannot allow any officer to officate in his office whiles smokeing, Elder Ellis second the motion. & it was “Carried” Preist John Rees of Cardiff branch refused to prohibet smoking saying that he would have tobacco as long as he lived, and consequently the above council was put In force upon him. Elder Thomas Pugh, President

Elder Evan A. Williams, Secretary

Minutes of a council of the Newbridge or Pont y. ty. Vrid District. held In the Lamb Tavern room Newbridge march 29th 1852 , This meeting was called to order by Elder Thomas Pugh President of the conference. Prayer by Elder Evan A. Williams, The Pres^{dt} called on Elder William Jones, the Welsh clerk to read the minutes of last council. Elder Jones rose & read the minutes. “Voted” that the said minutes be received. Pres^{dt} Pugh rose said bretheren you are at

Liberty to represent your branches. The bretheren rose and gave a Favourable statement of their branches. The books were in circulation & doing much good,

Pres^{dt} Pugh rose said bretheren you represent the officers under your care In good standing with the exception of two or three, I want you to understand that many who are officers are doubtfull of the councils given them. & consequently they loose the spirit but they will try to appear alright, but going in & out to the saints meetings and partake every sabbath of the bread and water, & by so doing they act the hypocrite with their bretheren, & they have no salvation near them. but distruction do Increase In them whiles they embrace such pernicious feelings, such when they officiate among the saints do administer distruction to them, & you must be carefull of the saints and

(115)

see that they are feed with the right Food. and if those men that have doubts and pernicious feelings will not repent after they are told of their wrongs, turn them aside or they will destroy all around them, and when such will repent, and are forgiven by us, they are still In shame, Forgiveness will never make what as been done wrong, “any better” but there will be a scar upon the Person who caused the evil[;] Bretheren love one another & respect your “Priesthood” [hosever] & magnify your calling among the saints. and also among the Gentiles that you may be alight to both aprties, but at the same time there is weakness appertain - in to us all, and let him that standeth “beware” least he fall, no man can stand in this church without the gift of the Holy Ghost – be slow to condemn – be at all times mercifull to yourselves and to all men, and remember that the officers that will not put in force the councils given, do stand In the way of the Lord to give salvation unto the saints but they will not stand long. the curse of God will come upon them, “hence bretheren beware of yourselves.” and when you go to any one that is out of

order and In sin do not tell them Immediately of their “sin” but first speak of the good they had done and the happiness they enjoyed, and when you have had your Influence upon them, tell them In the spirit of meekness the “sin” they have committed, then undoubtly you will gain them and give them salvation. There is nothing better for us than to know ourselves, and it is well for us to know one another’s circumstances, I want you to Know my circumstances and those bretheren who are scribes, there is a deal of money going to defray our traveling expenses, we have the 4 councils to attend and we have a great deal of work to do, and I should like you to feel for us and teach the saints their duty towards us. the records must be Kept and I Intend to take a record of all the councils In this conference “since I am president” to Zion. oh bretheren be carefull In this. Keep your records Intelligent, and you will rejoice In time to come

Elder William Davies Pres^{dt} of Newbridge branch rose said mr Pres^{dt} If a man is suspended of Is office and wishes to have his place as a member , and not [officeate] In his office, can such have a place In the church?, Pres^{dt} Pugh rose said If such a(nd) man after he as been told the responsibility that is upon him, and will refuse to officeate, he is to be cut off the church because he do refuse Jesus Christ, Elder Evan A. Williams rose & taught the nessesity of obedience to council, and to sustain the officers who are called to Labour among them as traveling Elders.

“Voted” that Edward Jones, “Senior” of Newbridge branch be ordained a teacher. Pres^{dt} Pugh ordained him In this council” “Voted” that David Davies of the same branch be ordained a Deacon,

(117)

Pres^{dt} Pugh rose said bretheren you have heard the amount of meny we have to make up to defray the money borrowed. but I want you to understand that we have other debts to pay. & we want to have your feelings how to pay this money wether it would be wise to have a General Concert & have the tickets at ^s1/- each, or to put ^s1/ on each member to make up In 3 months without a concert Elder Thomas Lewllyen Pres^{dt} of Pen.y.darran branch rose said bretheren, I feel that a concert would be best. because we should have the Gentiles to assist us. there are many of them that will take tickets on account of the singing. “All present agreed to have a concert,” Pres^{dt} Pugh rose said bretheren we will occupy the white Lion tavern room for our concert. and the next thing I want to know. – Is how many “tickets” will be sufficent for us to take, I think we could take [1:500]. if you think the same signifey by rising your right hand, “all the bretheren present rose their right hands”, Pres^{dt} Pugh rose said bretheren I will have a

programme made . & being that the concert is to be held in merthyr. I shall authorise Elder Richard Morris, to receive the peices of Poetry Composed. that he may make the Programme.

The bretheren rose and

(118)

gave a favourable statement of the branches some added to their number by baptisiam since last council. Elder Ellis rose said bretheren nessesity of observing Teaching. & Keeping the word of Wisdom. opperssion will Increase & wickedness will abound. which will cause the plagues to

come upon the wicked. & they will reach those who call themselves saints because they will hold the Commandments of God In diriesion, hence the nessesity of santifying ourselves, so that the des - troyer may pass us bye. Elder David Jones rose said bretheren. I thank the Lord for this previlege of being among you at present. I rejoice to hear Bro. Ellis speaking concerning the Word of Wisdom, the way to life is getting to the wicked narrower still, and I belive if we will not endeavour to live upright before the Lord. that it will get to narrow for us to . "O" bretheren love one another & fullfill the councils given you. also remmber the Perpetual Emigration Fund this is the back bone of the salvation of the poor. & may God bless you all to observe & put in force whatsoever Is commanded unto you, Elder Ellis rose said bretheren there is a debt on this conference at present, and to assist to defray the debt there will be a concert held at merthyr on monday Evening after the conference which will be on the 25th of this month, you have had the Tickets & I want you to distribute them Faithfully , wereby we may throw this burden off our minds, Elder William Jones rose said bretheren I am happy & do rejoice In the teachings given here this evening. Williams rose and spoke on the evil of "ambition" ver Interesting. Elder Hugh Merriman Pres^{dt} of Aberdare English branch rose and asked. If an officer could officiate In his office when a charge was to be brought to council against him. before the council had decided his case, Elder Ellis rose said that every officer could officiate In his office untill the council demanded his licence. and had proved him unworthy to officiate, Teacher William Davies of aberdare Welsh branch rose and asked . If the President of the Teachers called a council and Found that a Bro. or sister was under transgression. could he council one of the Teachers to Demand a Knowledge of

the sin he or she had committed. & after it was made Known, unto who was the said Teacher to make it Known, Elder Ellise rose

(119)

said. The president of the teachers have authority to sit in council with those over whom he has set to preside. & council them to visit the saints. & see that they do so, but to demand a Knowledge of the transgression of any one. I believe would be wrong, but the teacher had authority to see that there is no Iniquity practised In the church. and when Iniquity is found In any one, It is the duty of the Teacher to reclaim such, & if the transgression is greater than he can comprehend he is to make it Known to his president who sent him. & if greater than he can manage let him inquire of the President of the branch. Elder John Jones rose said I did rejoice much by hearing the remarks made, concerning the word of wisdom .& the Perpetual Emigration Fund, oh bretheren be faithfull in observing those commandments. & others that will be given us. and the Lord will bless you, so that you will prosper In all things

Brethren this is the work of “God” and we will have unhappy feeling if we will not do it, but if we will do what we are council’d, we will allways enjoy a concience void of offence towards “God” or man. we see our fellow men in darkness, and who of us that have the fear of “God” can look at them dieing in their sin, without feeling for them. & wishing their salv - ationg, brethren if we have “not” those feelings, we have no salvation for ourselves nor anybody else, hence bretheren renew your energy with this work & “God” will bless you. the secretary is at Liberty now to read the minutes of last council, Elder Evan A. Elder Ellis rose said bretheren I am glad to meet you in this place in a capacity of a council of this district, for to tansact such business that will be required. I am glad to see so many of my bretheren in the Preisthood Present. This is the place w are to be taught under the inspiration of the "Holy Ghost." I want you to cleave to the "truth" and not unto man, no farther than he is upheld by the spirit of "Truth", we are to respect all men, but we are not to respect the servant of "God" more than the "Truth" he teaches. if we cleave to a certain Individual, we are in danger of been lead astray. prapes the Individual we cleave to may fall. and if so, we will fall to" were as if we had cleaved to the Truth we would stand, what is it to me who teaches the "Truth" .the truth taught by me is as good as if taught by an angel. & is so powerfull to save. those that will receive it, there are some, they have a a fancy to a certain Bro, but when another Bro, comes he is not much noticed. although he may speak so much

(121)

"truth" as the other & prapes more. and owing to some party feeling in a brotehr or sister, the Brother & the "Truth" he teaches is disrespected, "bretheren this is not good" we want to understand that [it] is truth will save us . no matter who speaks it, I shall call now on the Secretary to read the minutes of last council, Elder Evan A. Minutes of a council of Merthyr Tydvil District held in the Greyhound Inn room merthyr tydvil April 13th 1852. This meeting was called to order by Elder Thomas Pugh. Pres^{dt} of the conference. Prayer by Elder David Jones, Pres^{dt} Pugh rose said bretheren we have had the pleasure once more of meeting in council and I am glad to see so many of you present, and you are at Liberty to represent your branches, and give in your money. The bretheren rose and gave a favourable statement of their branches some added to their number by baptisiam since last council, Pres^{dt} Pugh rose said bretheren, there is great carelessness in you, when you “report” your branches at conference, you “report” so many members, but when we go and look for so many has you “report” they are not to be found, also when we have a sum of money to make up, we put so much on each member to do according to the report, but when the time comes to give the money in, you say we have not so many in our

branches has was “reported”, such doings and sayings are deceptive, & is not acceptable

(122)

with us nor with “God” remember bretheren that we shall be responsible to “him” for our Stewardship, look after your records. & in your church record of names & baptisiums & see that all particulars is writen concerning every member under your care. Bro Davis. the Printer of merthyr, have made the church record of names so that all particulars “required” concerning each member can be inserted therin, be carefull that truth may be Inserted in all your records, “& not lies”. when members do [move] to other branches, record that carefully, that we may know were they are gone, and do likewise when you receive any from other branches, also I want you to feel a desire to save the people, so that you may baptise them. and be carefull who you do baptise, because some will come unto you in sheep’s clothing, but inwardly they are raven wolfs. the spirit of the “Lord” will reveal to you of such at the time, If you will be upright & humble before him, also I want you to be carefull of those that are under temptation & have given way to such, when you visit them, do not accuse them Immediatly of their wickedness, but first speak of the good they had done, and the happiness, they enjoyed when doing good, after which you can show them the evil of giveing way to temptation etc, and peradventure you may save them from wickedness, and they will turn round & bless you .& Glorefey God, may God bless you all with Power to remember those instructions. In the name of Jesus Christ “amen”, Pres^{dt} W^m Phillips rose said bretheren I have been to London last week at a special council, and I with all that were there was greatly blessed and I anticipate that more work will be done in future, that ever has been done before, I have many things to teach you, but time will not admit at Present to do so, but one thing is on my mind at Present. – that is – I heard the same principles taught in London. as I have been teaching you here, but more extensive.– the Kingdom of “God” as been

taught in a spiritual manner, but now we must teach it temporaly, the Kingdom of “God” must be organised, Literal on the earth it is a Goverment that must rule all (*the*) this planet with the Inhabitants thereof and all those that will not subject themselves to it, must be “damned”. teach this “fearless”, bretheren. do not be afraid of man, but fear “God” because he wants the people to understand the organisation, both sides, also, I am troubled with some, by asking if they are at liberty to go to the united states of america, I say that such are governed by the evil one, the council is for all to gather from the states, to salt Lake city – “or valley” , and this is the council to all in the British Isles

(123)

Since I cannot council any other way, let this be a sufficent answeare to all & may God bless you “amen” “Voted” that Preist Thomas Owens of “Troed.y.rhiew” branch be ordained an Elder, “Voted” that Rodrick Davies, Deacon in “Gorllwng” branch be ordained a Teacher. “Voted” that [“Gelli farlog”] be ordained a Teacher. “Voted” that James Griffiths of “Gelli farlot” branch be ordained a Deacon. Pres^{dt} Phillips rose said bretheren, I have a council to give you concerning the sisters, teach those of them that are unmarried not to marry those that are wicked men, in or out of the church, seek to council them in righteousness, and teach them to marry according to council, oh. bretheren be carefull of this council. Pres^{dt} Pugh rose and followed upon the same subject very edefying. High Preist John Davies rose said bretheren you have heard that which will do you good, I hope that you will put in force and carry out the instructions given, and remember that the government of “God” is temporal, as well as Spiritual, Elder Richard morris te welsh secretary rose & read the minutes of last council. “Voted” that the said minutes be received, — Dismissed by Prayer from Elder Thomas Giles Pres^{dt} of [morisnou - thshire]. — number of officers & members Present

1852 This meeting was called to order by Elder Evan A. Williams Prayer by Elder John
Edmunds Pres^{dt} over aberamman branch after which Elder Williams rose said bretheren &
fellow Laboureres, it is not without feeling the responsibility that is upon me, I stand before you
this evening. we have the Kingdom of “God” to build up, and we are quit Ignorant of ourselves
to do so. unless we have the “gift of the “holy Ghost”, it is from God we do receive our wisdom,
by which we do his will among men. The people at present do mourn, – why – because that
wicked men with usrp'd authority do rule over them. we have legitimate authority from “God”
to build a Kingdom on the earth. that the world may be restored, so that the Inhabitants may
mourn no more, the presidents over the branches was called to represent their branches The
bretheren rose & represented their branches to be in good order. some added to their Number by
baptisam since last council. — Elder William D. Jones rose & read the minutes of last council.
“Voted” that the said minutes be received, Elder Williams rose said bretheren. an Important
circumstance as taken place among us

(124)

which undoubtedly will cause additional [percecution]. That is Elder William Tyrick [Tonkins]
of aberdare English branch have absconded leaving his wife & family in distress & robing the
church of £3. & more. he also robed some poor families of Saints & those who are not saints,
leaving them without food to sustain themselves he was a pit [sinker] & employed many men.
It is true that he have sinned against “God” but it will not profit any of us to have bad feelings &
go to “Law” it is our duty to suffer wrong Knowing that every man shall be Judged according to

the deeds he has done in the body. Bro. Tonkins will suffer plenty without our doing him any thing, this was & is the council of "Jesus" do good to those that will do you wrong, bretheren these are my feelings & may God bless you with the same, it s a sufficent punishment for every one to be cut off the church. becuase the "Lord" as said "woe" unto those who are cut off my church hence bretheren beware of yourselves, also do not think evil of any one neither lose your confidence untill you have had sufficent proof of the evil In any one allways have good feelings to every man, also do not fear evil in this church because every thing will come to light in its proper time, Elder William D Jones rose & taught the nessesity of Loveing one another & to keep the commandments of God. very Edefying. Minutes of a council of the Cardiff District held in the music hall millicent street Cardiff April 23^d 1852. This meeting was called to order by Elder Thomas Pugh Pres^{dt} of the conference.

Prayer by Elder William D. Jones. Pres^{dt} Pugh rose said the secretary have left the "minutes" of last council in his bag at aberdare, because he came to merthyr last evening . & thought to return to aberdare, but I told Bro. Williams to come with me here this morning. now we will proceed to business and you are at liberty to represent your branches. The bretheren rose and [gave] the statement of their branches to be in a prosperouse conditon some were [added] to their number by baptisiam since last council. Pres^{dt} Pugh rose said [bretheren] I belive it would be well for you that are Pres^{ds} of branches, to mention in your next statistical report (at conference) how

many members there is in good standing [&] how many there is not in good standing. my present feeling is to Prune the branches & cast out from among us those that are laying on the church. who hold the commandments of “God” in dirision. they are a “log” & we will not carry them [any] longer

(125)

[this] I shall do after the coming conference, “by so doing” we will be prepared for more good & we shall baptize those that have a desire to keep the commandments of “God” . but whiles we keep those that sin among us, we cannot Prosper, therefore I want you that are Presidents of branches, to separate the good from the bad, Elder James Ellis rose & taught the nessesity of Imparting our substance to build up the Kingdom of “God” & urged all Present to distribute the tickets for the concert, which is to be held In merthyr next conference n the 25th day of April /52. Pres^{dt} Pugh rose said bretheren, I was in a general council at “London” lately were I received a strict council to teach the officers & the General members in this conference that the “Preisthood” have authority, to govern the temporal Property of all, by doing & teaching this we shall be Persecuted, but we are not to notice it,” remember if a man will Put is [treasuer] out of the Kingdom of “God” there is heart will be also & consequently he will go to “hell”. but he that will come into the church of christ & bringeth his treasuer with, his heart will be there also & it will be well with him or her. this is the only way to gain salvation.

Elder Evan A Williams rose said, mr Pres^{dt} been that this conference is organised into 4 General councils, have the Presidents of the branches, composing this conference authority to Excommunicate an Elder, without makeing his case first Known to on of those councils, Pres^{dt} Pugh rose said bretheren I want you to be very carefull in this, & I belive it would be be better to make the “case” of an Elder Known In one of the General councils Organised that we may see

things done in righteousness, & if we see them not worthy to stand in the church you can cut them off — — Amen

Minutes of a general council of E. G. Conference, held in the greyhound inn room Merthyr

Tydvil April 24th 1852

This meeting was called to order by Pres^{dt} Pugh. Prayer by Elder David Jones, second councilor to Pre^{sdt} Pugh over the conference. Pres^{dt} Pugh rose said bretheren there is a great deal of unrighteousness in the report of your branches, this is (I belive) because of neglect on the Part of the Presidents of the branches. & prapes some of the secretaries are careless also, this is very wrong, you that have done so have been guilty of [deceiveing] the whole church

(126)

when “concert” money or “Temple” money is required, you say, we have not so many members has we reported. or if there is, we cannot find them. those words of yours do Prove your deception . & you make yourselves guilty . & if you are, [wiped] it is your own faults, because when a sum of money is required, we look at the report. & nominate so much to each member accordingly, but when your report is false we are deceived, & the saints under your charge, do feel themselves oppressed but whos fault is it. It is not ours, because we act according to the report. hence it must be your faults, be carefull in future, or we must change you. & have others in your stead, Pres^{dt} Pugh spoke lengthy on the nessesity of the Temporal organization of the

Kingdom of “God” as well as spiritual The case of Elder William Tyrick Tonkins a pit sinker of Aberdare English branch was brought forward, Elder Hugh Merriman. Pres^{dt} of the said branch rose said bretheren Elder Tonkins was once a good man, & I loved him very much, but on the 17th of this monthe he absconded from his family with £3.10 of the church money in his Pocket & also with upwards of £50 from Poor families he employed leaveing them destitute, with out any Place to have food, but dependent on the charity of others, 4 of those families are In the church. Dismissed by Prayer from Elder John [Parry] from North Wales

Elder Thomas Pugh, Pres^{dt} Elder Evan A. Williams. Eng.^{ls} Secretary

Minutes of a special council of "Ynys Gau" branch of E. G. Conf. held in a room at the White Lion Tavern merthyr Tydvil April 25th 1852. This meeting was called to order by Elder

Pugh Prayer by Elder Evan A. Williams, Pres^{dt} Pugh rose said bretheren the object I had in view of calling you together this morning is – that I may know your feelings one to the other, were division & subdivision is, the good spirit is not there, it is requisit that we as a people should be in union, because we are called to be saints, & if we are not in union we have no salvation. circumstances will aulter caseses, but in all caseses we are to observe union, we must have Persecution . & we must be tempted. & if we are overcome by them wo. be unto us, but if we will Love one another & be in union we will overcome all things, we are not without faults any of us, we are weak & foolish in many things but if we will endeavour to Know ourselves, & be humble & obedient before the "Lord" we shall have mercy, I have [assosiated] with some of the best men in the church & I have allways found them an Example, in obedience & humiliy, they have "Laws" to be governed by, so have we, & a transgression of those "Laws" will be "sin" before "God" & if such will not repent & humble themselves shall be overcome by the evil one & when a brother has transgressed . & will humble himself before his bretehren & the "Lord" I will feel with all my heart to show mercy & forgive him, & such the "Lord" will Pardon, I have not seen one man yet without faults, but we as men of "God" ought to do all we can to Know ourselves & observe the commandments given then we can acquise to such Knowledge & wisdom. that will uphold us in all things, I understand there is weakness in Elder John Aurgust your President & prapes some of you have seen it, which have caused divisiion among you[.] now if you will divide you will go to hell, bretheren I want to bless you & bring you together, to Love one another, so that you may feel one for the other, having such feelings we will never [marr] the Peace that ought to be with us, Bro. Aurgust is here & he can speak for

himself, & I want you Bro. Aurgust to speak the “truth” & not hide any thing here, also bretheren I want you to speak for yourselves & not speak by hearing, but we must have facts. therefore you that will speak do so honestly. & if you “Know” anything about Bro. Aurgust you are at liberty to speak that, & that only — all sinners are to be chastised, & if Bro Aurgust have sined he must be chastised, I want you to unite together in Love, & if you will do so, you will prosper more than ever. I am willing to forgive Bro. Aurgust, if he will repent & leave off his folly has much as possible, we are to help one another and not draw one another down. these are the feelings I want you to enjoy – then you will be blessed

(Turn over)

(128)

Elder Aurgust rose said bretheren I do not think there is but on or two Present that knows of my drinking beer, but has for been drunk as some suppose. I do deny, I had to do a little business with a friend, & I went with him to a tavern were I drank 4 glasses of beer at two “Intervals” I am willing to do anything in my power towards this church I know that “Ynys Gau” branch is out of order this 2 months, & that there is Division there & some is riseing against me I do not Know what is the cause & I am willing ‘Bro. Pugh” to Preside over the branch, & do all I can to observe your councils . & If I have done anything against any one I am willing to humble my self. I will do any thing you think proper for me to do —

Elder John Andrews rose said bretheren I have been with Bro Aurgust this last 3 years. I have not seen more weakness in him than in some other men. I have allways found him a good man, & I love to be under his Jurrisdiction & I do not Know of any thing that causes him unworthy of the Presidency of “Ynys Gau” branch, Elder George Adams rose & bore testimony to the same as Elder Andrews, & so did all Present do the same,

Pres^{dt} Pugh rose said bretheren I am glad to hear you expressing your feelings towards Bro. Aurgust. – “they are good”– . I hope you that are his councilors will go to him oftener than usual & consult with him concerning your branch there has been a little division among you, with a little weakness in Bro Aurgust & 2 or 3 more this did cause a little deadness among you, & if you are willing to uphold Elder Aurgust, as you Pres^{dt}. & unite together in love signify it by riseing your right hands. All hands up.

minutes of a council of the Newbridge District held in the Lamb tavern room Newbridge may the 10th 1852 This meeting was called to order by Elder Pugh Prayer by Elder Evan A Williams. The Presidents over the branches were called to represent their branches, The bretheren rose & represented their branches some in a progressive manner, others not so well as usual

Pres^{dt} Pugh rose said bretheren our temptations & trials are in comparrison with the Faith we excercise in “God” but those that are over come by temptations are destitute of a ish to do the will of “God” “They are not destitute of “Faith” but they excercise their “Faith” in another object, [consequently] they are against “God” but all those that will adhear to the word of the Lord through his servants & believe it, shall have more Faith ,& consequently have power to overcome temptations and stand all trials that will come to meet them, by doing this, we will be acceptable with “God” and remember that we are to show our Faith by works. & if every thing went smooth with us, we could not Know how to excercise our Faith in righteousness, neither could we feel for others, unless we are tried in all things ourselves, now there is a debt on this conference, & it is a trial to us all, “& thank the Lord for it”

here is a place to see who has a wish to build up the Kingdom of “God” by distributing their substance, such as Gold & silver. & every thing that will be required to defray the “debt” on the conference, that we may be free, thenwe will be ready to do something else that is greater, whosoever will have those feelings in the church under all circumstances, shall be enriched in this world, & have “Eternal life” in that which is to come, — we have sent bills to your branches. signifying what is allotted for each member to pay in six weeks time to defray the debt on the conference, if (*see*) you see that right signify by rising the right hand, — “all hands up”—

Minutes of a special council for the Presidents & councilors over the branches of E. G.

conference held in the Greyhoung tavern room “merthyr Tydvil” may 18th 1852 – This meeting was called to order by Pres^{dt} Pugh Prayer from Elder David Jones, The congregation sung

the Welsh hymn page 149 “Tyr’d ysbyrd Glan”. — that is — “come Holy Ghost” —

Pres^{dt} Pugh rose said bretheren we want some one to officiate in the office of “Deacon here this evening, “Voted” that Elder John Reynolds of merthyr branch, officiate In the office of Deacon—

Pres^{dt} Pugh rose said bretheren I am glad to see so many of you come togethor, the reason I had to call this special council, is that, I wanted to reason with you concerning the great responsibility that lays upon you & me, we want to Preside over the saints in righteousness, and we cannot do so, unless we are taught in the duties, devolved upon us, “Knowledge is power” and we cannot acquise to the Knowledge required, of principles appertaining to our salvation in our present circumstances, unless we come together, to be taught by those having authority, when the Presidents with their councilors, do teach something of their own heads, that they do not Know, wether it be right or wrong, they instill into the saints that which is uncertain, and they will doubt and leave the church, “many of them”. now this is wrong, & you are not to teach them anything but that which is wholesome and if you will adhear to the councils given, you will allways have the spirit of your office, also there is another fault with you, that is, when you and your councilors want to transact any business appertaining to the saints under your charge, you do so before those who have no business to hear you prapes the Pres^{dt}

(140)

& his councilors will not be the same mind concerning the subject before them, & there they will dispute before the saints, & consequently instill a spirit of divison in them that do hear, & they will make it Known to others in the branch, & cause a division among the whole branch, some will apostatise & bring persecution upon that the saints in that place were such foolishness is practised, surely this ought not to be, we have practised many childish and foolish ways but

we must refrain from such. & do better in future

also there is another fault with you. – that is – when you hear the saints speak evil one of another, & backbiteing one another, you are very ready to sit in Judgement on the accused, when he or she is not present, this is not good, you destroy your Influnce by so doing. hear both sides of the question in a proper place, and give your judgement according to the Spirit of God which is in you, then your Juedgment will be rightouse Judgment. remember this council in future

Alsot another dangerous fault that is among you which I never was guilty of – that is – to conspire with others against my President, and sit in Judgment upon him undoubtedly you have been tempted in this, and some have given way to it. and others have overcome it, there is not one president in the church on the earth at present without fault. & weakness. and I dare say you have seen some of it In your presidents, & others do see your weakness, & will you because you find & see the weakness of your president leave the “truth”, and rebel against him? If you will, you will rebel against your own salvation and expose your own weakness, and it is far weaker than the weakness you have seen in your president

Oh, bretheren seek for Love, & respect to the “presithood” of the son of “God” Govern yourselves, and understand that there is weakness and faults belonging to yourselves,

Bretheren I have many things to tell you that are Pres^{ds} and councilors over branches, and you are not to invite any other officer with you to this council, because I want it free to speak unto you only. and if any of you will carry any thing from this council that ought to be Kept secret you will be at a loss. I shall not feel to fellowship such

Also another fault that can be avoided very well – is – when an Elder as been teaching some doctrine

(141)

to the saints, that is virteous & good some will not like him because he as done so and such will

complain to another “Elder” and that Elder Just for to please those that do complain, will do the same as them, now this is very wrong. you ought never to encourage the saints to do so, but teach them their duty to every department of the priesthood so far as you do understand if you will Know of an Elder that will do wrong you are not to speak of it to the preists. but if you cannot reclaim him yourself report him at the Elders council & there transact the business appertaining to him. I hope you will remember this & Love one another. because if we do not love one another here and death overtake us whiles in that condition we will be as such in the resurrection, & what will be the consequence then, I cannot tell. If we will remember then our present circumstances & all others. & we have not loved one another our conscience will not be free, consequently we cannot enjoy heaven, so I leave you to Judge for yourselves, also I want you to observe family prayer In your own families, & see that the same is among your saints [througout] this conference

Also I want you to see that the records of your progenetors are Kept so far as you can possibly get them at present. and the records of the branches see that they are Kept according to the council given in the last conference I want you now bretheren to speak your feelings towars me & my councilors.

Elder David Giles. Pres^{dt} over troed y.rhewe branch rose said that eh felt to do what he was counceled & that he had good feelings to Pres^{dt} Pugh & his councilors,

All the Pres^{dt}s with their councilors. that was present rose & spoke in the same manner as Bro Giles, manifesting a good spirit, expressing their determination to put in force all the councils given them, in the spirit they are given

Pres^{dt}

Pugh rose said bretheren

I thank you for the good feelings you manifest to me & my councilors, I also thank the Lord fort his feeling. and all said “amen” he also spoke on the nessesity of revelation very edefying —
