Minutes of a council of the merthyr district held in the Greyhoun tavern room Merthyr may 25th 1852. This meeting was called to order by Elder Pugh, "Prayer from Elder David Jones"

Pres^{dt} Pugh rose said bretheren you have brought forward the list with the names of those that are withering & out of order in your branches, it is a pity that the name of any one should be had as evil among a people so good, I dred to cut any one off this church. but at the same time, when some will not do What they are told, they die & they are like lead in the bottom of our garments & they are a load on the church, which she is not able to carry, hence we will be justefied by cuting such off . if they will not speedely repent,

The names we have at present is from merthyr Georgetown & cefn.coed y cymner branches,

“Voted” That Thomas Harris Pres^{dt} [over] merthyr branch do with those he as named according to the order of the church

“Voted” that the Pres^{dt} over Georgetown & cefn coed y cymner branches do the same as Bro Harris Pres^{dt} Pugh called on the Pres^{dt}s over the branches to represent their branches The bretheren rose and represented their branches to be in a favourable condition, some added to their number by baptisam since last council, also they were busely selling & distributing tracts & much goo as been done by them

Elder David Jones, second councilor to the President over the conference, rose and spoke on the nessesity of respecting the Preisthood in all its departments so far as we can understand,

Pres^{dt} Pugh Followed on the same

subject, showing the awfull consequence of rejecting the Goverment of “God”

High Preist John Davies rose said bretheren you that are in the circle on Sunday have no need to call with me every week for books, you are to call every fortnight but you are to call every week with Bro₂ morris for the “melineal “Star”

Pres^{dt} Pugh rose and spoke on the nessesity of paying for the books received by the branches, with the evil of going into debt for the books also he spoke on the nessesity of young men and women to be virteous, & that they have no authority to marry without the consent of the Pres^{dt} over the conference, with the consent of the Father if they have one & he be in the church, but if he or her, have not a Father as before Stated, he or her is to be Governed by the Preisthood, but his feelings were that it would be better for them not to marry untill they were in Zion, but if they could not Govern themselves, that is – their Passions, it is better to marry

H. P. John Davies rose & followed on the same subject very edefying

Pres^{dt} Pugh rose said bretheren do all you can to save those that are out of order, & if they are gone to far, & will not repent, cut them off Elder James Ellis rose & spoke on the same subject,

a dispute rose between Elder William Davies, Pres^{dt} over Newbridge branch & Elder William Edwards of the same branch, & Bro^r Edwards would not comply with the desicion of the council. consequently it was “Voted” that Elder William Edwards of Newbridge branch be cut off for Disobedience & rebellion In council. “Witnesses” Elders Thomas Pugh & Evan Austin Williams Pres^{dt} Pugh rose said Bro^r Edwards you are now cut off the church of Jesus Christ of Latterday Saints, I wanted to unfetter you. but you would not be obedient to What I said, & by so doing you endeavoured to prove me & all present destitute of the Spirit of “God” and that you only have it in your possession. now brother W^m Davies did right by stoping you to speak reproachfull of your brethren In the council of the branch, It is not right to do so, if you cannot make up with a brother, that has transgressed against you, you should do all you can do settle out of council, or if you have an accusation against any In council, write the same on paper with proper witnesses then the council can righteously Judge who is In fault, now this you have not done, & what you have accused Bro^r Davies of, do condemn you, & prove you [(&)] a rebel, & you do better prove yourself as such by not uniteing with the desision of this council,

Consequently you have difellowshipped yourself from the church, It is your duty & everbody else is, to be obedient to the preisthood, & never call its desision In question why they do this & so, it is our duty to be humble & obedient to the Preisthood In all things, & been so we shall have Salvation, whosoever will rebel against the Preisthood will go to “hell”, we cannot fear “God” unless we will fear the Preisthood, by fearing those “God” has set to preside over us we will fear him. & this is a righteous Principle, may “God” bless us to be obedient In all circumstances, “Amen” also I want you to Keep the “word of Wisdom” especialy the total abstinence from the use of “Tobacco” & I should like to Know how many there is present that do make use of it, there were five present, & they covenanted before this council to prohibit “Smokeing & chewing” tobacco any more he also spoke on the nessesity of recording the age & time of birth of those that are baptized, Officers Present

Minutes of a Council of the aberdare District held In the Welsh harp tavern room Aberdare

June 16th 1852

This meeting was called to order by Pres^{dt} Pugh — Prayer from President Pugh The “Minutes” of last council was read. “Voted” that the said “Minutes” be received Pres^{dt} Pugh rose said bretheren I am glad to meet you once more In council hoping you do enjoy good feelings one to the other, if you do not you are not right. each of us ought to have that Golden rule that Jesus gave near to our hearts – that is – we should do unto others as we would wish others to do unto us this is the feeling we must have before we can please “God” each of us is Imperfect. I have not seen a perfect man yet, we have many weaknesses & folies about us so that we are ablidged to call upon “God” to forgive us so that we may have the power from “him” to overcome the temptations that surround us, & make us wise unto Salvation, If you will see a fault In a brother how much would be glorified by speaking evil of him, even if “God” was to cast him or her to “hell”, we would not be benifited by such, especialy by speaking evil of him or her so far as I can und - erstand. I wish with all my heart for you to be “patient” & to Suffer on another In “Love” & when you see a brother or Sister penitent feel to forgive them & place In them the same confidence, that you had in them before This I will say – let him or her that is now Standing beware least they fall, hence brethren beware of yourselves, feel well one to the other The wicked will make the good look very small, but they will make evil appear ten times larger than if is if possible, but a good man will Swell the good & make evil appear what it is,

July 10th 1852

This meeting was called to order by Pres^{dt} Pugh, Prayer by Pres^{dt} Pugh Pres^{dt} Pugh rose said bretheren it is one of the most erroneous Ideas that any-one can think [__?] that the present Presidency of the church in “wales is wrong, now bretheren I want you to listen to me, Four of the “twelve” have been here lately, also many of the “Seventies” & you have heard then say, that the present Presidency of “Wales” are good men, the Apostle John Taylor have writen the same In the “trump” & that they are doing right It is something very strange to me, that those men who do allways sit in the corner .& neglect their meetings, & make all manner of “lies” about their bretheren do Know better than those that Preside over the church in general, they say that Capt. Jones is to return here & make & bring things to order here, do he know better than those who Preside over him? I say he do not, & moreover “God” damn” such they are not worth

saveing unless they speedily repent— the Pres^{ds} over the branches gave in their quarterly report as follows—

minutes of a council of "Aberdare District" held in the Welsh harp tavern

room Aberdare Sep^{tr} 8th 1852

This meeting was called to order by Elder Evan A Williams

prayer from Elder Williams

The Presidents over the Branches rose & represented their branches in good order some Excommunicated, & some added to their number by baptisam since Elder Williams rose said bretheren, Pres^{dt} Phillips with Pres^{dt} Shurtliff from "America" was in aberaman Branch, on Monday last, as you all Know, & Elder Edmunds. prse^{dt} over said Branch, gave them ^s15/ each, & been that the greatest part of the saints from this District was present, it is right that this money be divided among the branches, if you are willing signify by riseing your right hands, (all hand up) well ^s10/ on aberaman branche ^s10/ on aberdare W. ^s6/ on Cwmbach & ^s4/ on aberdare English. will make the £1" 10

"Voted" that the said money be given in, this day fortnight

Well bretheren this money affair is very obnoxious to the feelings of some, but I don't Know why any one should feel so, because "they" cannot live without money, money in its place is good, & they must be had to sustain the servants of "God" in their undertakeings, the Lord has given them a work to do, they have to Gather the lords "poor" from among the nations, & how are they going to do it, why by haveing means, such as Gold & Silver Cattle & every other means that can be made use of. & to bring the said means about, we have a "p.E. Fund" into which much has be thrown all ready. & I want you all to feel interested in this Fund, the Kingdom of God is worth makeing sacrifices for it, even our "lives" if required, hence do not

Love any thing better than the Kingdom of God least we get tempted & overcome'd, hence have liberal feelings & do not Fear, but have confidence one in the other so taht we may be blessed of God, oh" bretheren let us seek wisdom & Knowledge from "God" that we may be capable of Governing in righteousness, those that are under our care because. rembember we shall be responsible to God for our stewardship Elder Dewi Elfed Jones rose said bretheren, an honest man is he who will first pay his Debts unto the "Lord" it is better to be in "Debt" one

(177)

to another than to the Lord, he required the first fruits of our ancient bretheren, well the Lord is unchangeable, & he requires the same of us in this day and Generation he will not receive our second handed homage, but seek first the Kingdom of "God" & his righteousness, do this in "Faith" all things will prosper in our hands may God bless us all to do so "Amen"

Pres^{dt} pugh rose said bretheren the report of the conference for the last three months shews that we have decreased in number, & the reason of it is. that the bretheren have been busely engadged in casting out from their midist those that where unworthy of a place in the church, they have cleaned their branches, & have prospered in the baptising good men, & I want you pres^{nts} over the branches to go from this conferences with your hearts full of blessings for the people in your several neighbourhoods, so that you may gain their affections & be able to baptise many of them that will undoubtedly be so Zealous for the Welfare of the church as we are now we shall hear of "Bro. Morris" what has been given in, in the last Quarter to the "P. E. Fund", the presidency. & the "Books".

Bro. Morris rose & read from the "P. E. F." Book what each branch had given in to the said "Fund" & the "total" of all in the last Quarter ending Sep^l 24th [Ultmio]– £ 271 " 14 " ½

Davies. Elder Morris had books & money on hand sufficient to answer the "Debt" owed to the "Liverpool office"

Pres^{dt} Pugh rose said bretheren you have heard the amount of "Debt" for English Books" which is "increased" in the last quarter. "this is not right" I do not like neither will I allow a "new Debt" contracted . I should like to see this money paid as soon as possible. You pres^{dt}s over the Branches must look into the circumstances of your "Agents" the first thing after you go home, & if you cannot find them doing right change them "Immediately", & get men that will do right with the church money, & remember that I hold you responsible for this "Debt"

Pres^{dt} Phillips rose said bretheren you have received good "Council" from your pres^{dt} this morning You have done well to the P. pres^{dt} Pugh rose said bretheren, I hear that some in the church in this District do say that I pocket all the money collected to defray the “Debt” on the conference, I have not done so in the name of the “Lord”

When I had the presidency over this conference it was “Debt” for Welsh Books	£91"14"0,
according to Bro Davies’s account, & for English Books	£68"8"8
according to morris’s accout & money borrowed to assist forigen missous	<u>£150"0"0</u>
& other monies that I cannot tell you of at present	<u>310"2"8</u>

Prayer – Elder Joseph Davis. Singing, "What Was Witnessed in the Heavens."

Pres. Lyman was the first speaker. He said the Gospel of Jesus Christ embraced by the L.D.Saints is a comprehensive work which embraced all truth no matter where it may be found. That we as a people did not desire that any person should ally himself or herself with the Church without investigating the principles of the Gospel, in order that they may know whether the work is true or false. Concluded his remarks by bearing a strong testimony to the divinity of the work engaged in by the L.D.Saints.

Counselor H. W. Naisbitt said he

P. 38

was glad to have the privilege of meeting so many who had come to worship God.

Asked the question why is it that the L.D.Saint missionaries who teach the same Gospel as was taught by our Savior and his apostles when they were on the earth, are not welcomed by Christian believing people. Why is it that the churches and chapels are not open for our elders to teach the doctrine of Christ? It cannot be because they are not teaching the very same plan of Salvation as taught in former days. It may be because they are teaching principles exactly the same.

Dwelt on the organization of the Church for a short time. Said if apostles, prophets, pastors, teachers, etc. were necessary in former days, to instruct the people, why do we not need them today to instruct the people as much as in former days.

There was a good attendance of

P. 39

Saints and strangers and a goodly portion of the Spirit of the Lord was manifested, and enjoyed. The instructions were all timely and to the point.

After singing "Oh My Father" benediction was offered by Pres. E. R. Owen and Conference was adjourned for six months.

P. 40

Bro. Owen then read the labor report of the elders for the past seven months. Then asked the question, "Are we doing all in our power to spread the Gospel of Christ?" Urged all to do their utmost to spread the work of the Lord.

In regard to outdoor meetings, said we should be careful where they are held. Do not preach the gospel before drunken rabble. "Do not cast pearls before swine."

Bro. Joseph Davis endorsed the remarks of Pres. Owen. Hoped he would be able to represent the place where he came from in such a manner that his relatives and friends would approve. His desire

P. 41

was that unity and love should prevail among the elders, and that all would do their duty.

Elder Wm. E. Morse reported having enjoyed his labors. Was glad to have this privilege of meeting with the elders to counsel together. Said the elders in Abertillery were earnest workers.

Elder T. W. Jones said he had found many people where he had been laboring who were afraid to attend the meetings of the L.D.Saints because others would look down on them. Felt well in the work engaged in.

Pres. Owen then explained that Bro. W. J. Wale had been sustained as counselor to Bro. Watts.

Elder Wale was then called to report the Cardiff branch and his labors. Said he felt a great responsibility resting upon him to further the work of Christ, in this land, and to encourage the Saints to live their religion. Had invited

P. 42

P. 43

in the glorious work of spreading the Gospel of Jesus Christ. Asked the blessings of God upon all in this effort to do good.

Elder Edward Thomas said he had tried to lay the gospel before the people. Had made many friends in the locality where he had been laboring. We cannot convert people to the Gospel. We can preach it to them, but the Lord does the converting.

Elder Elias Davis had enjoyed listening to the instruction of Pres. Owen and the brethren. Felt well towards all. Desired to stay and fulfill an honorable mission.

Elder S. T. Clarke reported his labors. We should always remember that we are servants of God, and should live for his Spirit.

Had no ill feelings towards any one. Said we should store our minds with the good instructions received.

Bro Lewis Williams remarked that we should be very careful as to houses we go in if invited to do so, as some places are not very respectable.

P. 44

Pres. Owen then arose and gave some good instructions. Spoke on habit, said we should not contract bad habits in speaking, and standing positions. Should stand firm on our feet and speak with conviction.

Remember our secret prayers. Study and inform our minds with useful knowledge, so that in time of need we may be able to explain the Gospel in a clear and comprehensive manner. Urged the elders to teach the people to follow Christ, not man.

Hoped we would all go from the meeting with a determination to do all in our power to promulgate the Gospel of Jesus Christ.

Asked the elders to fast and pray for Bro. Evans of Ferndale, as he requested that he may have his free speech which is impeded by some obstruction.

pleased to meet with the Saints and friends in Cardiff. Spoke of his experience while [in] Wales some 15 years ago.

Said if we find a church upon the earth to day with apostles, prophets, pastors, teachers, etc. we can accept that as one characteristic of the true Church of Christ.

Proved from the Holy Writ that those apostles, pastors, etc., were placed in the Church to remain and would have continued down until the present time had there not been an apostasy and the gospel taken from the earth. Pres. James L. McMurrin felt the great responsibility that rested on him as a servant of God. Urged all to study the life of Christ and have the spirit of Charity to all men. Never tear down another man's religion. Never bring persecution upon yourselves except it be for righteousness sake. We should not feel that we are here to do our own will, but the will of our Father which is in Heaven.

Let us be pure in thought, word, and deed, and not bring disgrace upon the Church by any of our acts. The thing

P. 57

for us to do is to go to God, make Him our friend, therein lies our strength. He is able to strengthen us and build us up.

Pres. Henry W. Naisbitt was glad to have the privilege of listening to the good instructions by Pres. McMurrin, Pres. Owen and the elders. Said we should be kind and Christlike to all, but be not ashamed or afraid to bear the Gospel message to those whom we may come in contact. Consecrate ourselves in the Gospel of Christ that we may be able defenders of the work engaged in.

All the elders expressed their feelings as being well pleased with the work of Pres. Owen and wished him Godspeed on his way home. All felt they had been benefited by his fatherly counsel and advice.

P. 60

Pres. Wale said this Cardiff Branch was in good condition. Gave some very good instructions to the elders and bore a strong testimony to the work we are engaged in.

Pres. P. D. Lyman said it was a sad affair that had brought us together; yet felt very pleased to meet with us as a band of Brethren. As he had no special instructions to give, turned the time over to the elders to ask questions.

Bro. Abraham Evans expressed his opinion in regard to the best means of getting the Gospel before the people. Suggested that instead of the four elders now laboring in the Abertillery district lodging in that place, that two take up lodging in an adjoining town. 'Twas considered a good suggestion and agreed to.

The question, "Is it right to hold debates in the street" was asked. Was answered by saying it was

P. 61

not the spirit of the Gospel and we were not justified in so doing.

Pres. Lyman instructed the elders as to taking up lodging. Said we should preach by example as well as by precept and to do this it is necessary to lodge with the Gentiles, and to show them that our characters are worthy of emulation.

Bro. C. H. Davis approved of the suggestion made by Bro. Evans, and thought it wise for two elders only to be in a place.

Pres. Lyman was introduced and occupied the time. Spoke very interestingly upon the vastness of the Faith which we as Latter Day Saints had espoused. The Bible is not sufficiently large to contain the mandates necessary to a perfect salvation, neither are its supporters and sustainers. The Book of Mormon, the Doctrine and Covenants and the Pearl of Great Price, nothing short of New Revelation, combined with the revealed word can make complete the redemption plan. The principles of The Gospel of Christ were presented and beautifully explained, scriptural evidence being adduced to substantiate

P. 72

and support each ordinance advanced. The mis-conception with respect to the Eternal Truths, so plainly laid down in the Bible, and so necessary to accept, is due invariable to private interpretation and sense and prejudiced ideas so prevalent among modern Christianity. Concluded by bearing a strong testimony to the authenticities of the work advanced by the Latter Day Saints.

Singing: "We'll Sing the Songs of Zion" etc.

Closing Prayer by President Joseph N. Frisby.

P. 73

very beautifully the contrast between the doctrine taught by the Latter Day Saints and those of most of the Christian Creeds. The commandments that Christ taught are not optional but obligatory, providing we contemplate an existence in a future state. The instance of the Assyrian Leper was cited to show that through obedience, the person so seriously afflicted was purged from all his impurities. Advised all to adhere strictly to all commandments given.

President James L. McMurrin was desirous that all exercise their faith and prayers in his behalf, as it is a characteristic of Mormon Elders, never to prepare sermons, but to be operated upon by the Spirit of God, and present by that spirit whatever may be dictated. Explained the necessity of men who presume to officiate in the ordinances of the Gospel, being

P. 74

duely [sic] commissioned by the only channel possible to receive commissions – that is new and immediate revelation. It is by this source that the Latter Day Saints take their bold stand. Paul could not participate in Eternal ordinances, until set apart by duely [sic] commissioned officers, and he, too, had seen the Redeemer of the World. Through the illiterate [sic] and obscure lad, Joseph Smith, the same authority that was possessed by the Apostles in Christ’s day, is in existence at this time, and has the same shining appearance which has ever attended it. Bore a strong testimony to the modern Prophet’s divinity, and the record that he was instrumental in bringing forth.

Singing – “The Gospel Standard”, etc.

Prayer By Bro. N. P. Aagard

of meeting with the Servants of God. Seek the spirit of the Lord and success will be the inevitable result.

Pres. James L. McMurrin said the key to success in the missionary field is fasting and prayer. Through humility and the blessings of Heaven will be bounteously poured out upon us. Be not too aggressive, present one side of the question, and trust to the Spirit of the Lord to attend and utilize the evidence we adduce, and present them. Preach the Gospel, not the country.

President Platte D. Lyman endorsed heartily the remarks and advice given by Bro. McMurrin, and advised all to adhere strictly to all the commandments of the Lord. Do not neglect to comply strictly to the Word of Wisdom, as there are great blessings attached to the obedience of this law. Pursue earnestly

P. 77

the work and we will be blessed.

P. 79

Elder David Crackles felt encouraged in the work and hoped to prove faithful to high callings.

Elder J. T. Thane expressed his determination to use all his energy to spread the Gospel truths. Elder Lewis Williams said his joy had been unbounded in working in the cause of truth, and to do good was his only desire. We should not shirk any of our duties, but stand bravely by and tell people the object of our mission.

President W. J. Wale had nothing but words of praise and commendation for the Elders. Their reports show that they are interested and that they are working. Urged us not to grow disheartened or discouraged if indifference is displayed, simply keep in the line of our duty, and the Lord's spirit will be with us, and He will accept our endeavors.

President H. W. Naisbet felt well pleased with the condition of the Welsh Conference. The expressions that have been given, show that unity and love exist among the Brethren, and that they are trying to do their duty.

We should try and sense the importance

P. 80

of the positions we occupy, and then govern our lives accordingly. We get but a smattering glimpse of the numerous amount of truth included in the term "Gospel." But we must try and learn the alphabet of the saving plan and then impart the knowledge gained to the people of the world.

A few closing remarks were made by Elder Williams, announcing the Meeting that was to be held in the Tredegar Hall that evening.

Singing – "Oh My Father"
